#### MESSAGES FROM THE PRESIDENT...

##### Salary Increases

I said in my last note in FAZE I that I would keep you informed about how our reduction in salary increase monies would affect each of you directly. As of this moment, I am still not certain, but will know for sure after the Board of Governors meeting on July 31. I sought advice from the Fiscal Resources Committee on how to make the necessary reductions, and their recommendation was contrary to established Board policy for this year. The Fiscal Resources Committee recommended that all professional and non-negotiated civil service employees receive a 7% across-the-board increase. Since that recommendation is in violation of current Board policy, the reductions will be made in accordance with the following table:

	<u>Previous</u>	<u>New</u>
Base Increase	8%	5.6%
Merit 1	10%	6.9%
Merit 2	12%	8.2%
Merit 3	14%	9.5%

This plan is consistent with current Board policy. However, we will await formal reconfirmation of this policy at the forthcoming Board meeting before issuing new salary letters.

##### Search for Vice-President for Academic Affairs

Dr. Mary Endres has submitted her resignation from GSU, effective March 10, 1976. It is not too early for us to begin seeking a new Vice-President for Academic Affairs. You should know that a selection committee will be chosen by a sub-committee of SCEPP and myself. If you have any suggestions regarding the composition of the selection committee, please forward them to Dr. Paula Wolff by September 1, 1975.

The selection of a new vice-president will be one of the most important tasks of the year. All of you should also be giving serious thought to candidates who possess a commitment to academic excellence in an innovative environment.

##### Advance Notice Re FEES

Due to extreme constraints imposed by budget cuts to the extent that there is functionally no budget increase on the one hand, coupled with substantial enrollment increases on the other, there are additional fees which we must now consider administratively.

Parking fees will be instituted, probably in September as passed earlier by the Assembly, and approved by the President and the Board.

MESSAGES FROM THE PRESIDENT...Continued

Testing fees have been established at the graduate level and will be established at the undergraduate level for necessary diagnostic, normative and accreditation purposes. Under consideration administratively are a holding fee for those not completing modules after a stipulated period; "commodity" and "breakage" fees, especially in EAS and CCS; and "use" fees in such areas as ICC, Music, Recreative Studies, etc.

The bus service must become self-supporting or be terminated. An LRC "overdue" fee is under consideration, as is a medical service cost requested by Student Services.

Facility rentals, environmental pollution analysis and other community services may require fee schedules. A fee for the credit allowed after assessment for life experience in the BOG and 5% program is also being studied.

We can no longer operate GSU as has been done in the past four years. Our costs are up and there is no budget increase. We have had a high per pupil appropriation in the past and have rendered our educational services at the lowest cost to students of any senior university in the state. We are now being "leveled." Our FY 76 income fund (from tuition, fees, etc.) is approximately \$1.5 million of our \$9.3 million budget, with the remaining \$7.8 million coming from general revenue appropriations. We have no alternative than to add some of the kinds of fees other institutions have collected, historically, of necessity.

We will make every effort to keep costs to students as low as possible. Accountability, responsibility, efficiency and the maintenance and enhancement of qualitatively excellent educational programs have been operational constructs for GSU since the Educational Planning Guidelines were formulated and approved. I suggest that students, through their SSAC representatives, closely observe and make their needs known with respect to the uses of the Student Activity Fee.

Thank you for your understanding.

W. E. Engbretson

DISTINGUISHED TEACHER AWARDS...for instructional excellence in 1975 have been presented by GSU to: Ms. JoAhn Brown, HLD Prof. of Urban Teacher Education; Dr. Ronald L. Brubaker, EAS Prof. of Physical Science; Dr. Thomas J. Kelly, CCS Prof. of Urban History; and Dr. Roscoe D. Perritt, BPS Prof. of Business Administration. President William E. Engbretson in presenting the awards at Commencement July 20, said: "As a learner/responder, teacher and instructional leader, you have demonstrated a commitment to this institution and its students, to the profession of teaching, and to your own field of scholarly inquiry and service that commands the respect of us all."

FUN DAY...The Infant Jesus of Prague Prayer Group will sponsor a fair at Tolentine Center on Saturday, August 2 between 10 a.m. and 3 p.m. A day of games, races, prizes, obstacle course, and food. There will be a small charge for food, but everything else is FREE. Mark your calendar and bring your children to Tolentine Center, 20300 Governors Highway, Olympia Fields.

FOUND...a "Divorced" ring (?) in the reception area of Administration, third floor. Contact Ginni Burghardt (UR), ext. 2419.

SCHOLARSHIP OFFERED...Applications are available in Financial Aids for the American Logistics Association Scholarship at GSU. The winner of the annual scholarship must be a member of a household within a 50-mile radius of Chicago; family must have a governmental relationship: (1) a dependent of or himself a veteran with an honorable discharge, or (2) a dependent of or himself a federal civil service employee; must demonstrate an intent, through formal application as determined by the association, to utilize his or her skills to promote those programs which lend themselves toward the goals that the American Logistics Association sponsors, namely the logistical field. (Examples are business administration, accounting, procurement, distribution, agricultural sciences, etc.) The University Office of Financial Aids recommends at least four applicants to the association for consideration each year, with final selection made by the association.

CORRECTION...Shoshana Falk, wife of GIDEON FALK (BPS) will teach classes this fall in EAS, not BPS.

SUMMER THEATER AT GSU...Performance dates have been announced for the summer repertory theater program at GSU.

"Glass Menagerie," by Tennessee Williams, will be presented Aug. 8, 10, 15, 21, 23. A modern version of Lewis Carroll's "Alice in Wonderland" for adults and children will be staged Aug. 9, 14, 16, 22. All performances are scheduled for 8 p.m. in the GSU theater.

Season tickets are \$3.50 for adults, \$1.50 for students and children. Single tickets are \$2 and \$1 respectively.

Special group rates for day-time performances of "Alice in Wonderland" can be arranged by park districts, community centers, day camps, etc., by telephoning ext. 2119. These performances will also be in the university theater. Casts for the two plays vary in age from junior high students to adults, include members of the community at large as well as GSU students, and represent a wide variety of background and experience. Directors are Mel Slott, "Glass Menagerie," and Temmie Gilbert and David Reeve, "Alice in Wonderland."

CONGRATULATIONS...to BETTY STANLEY (EAS/BOG) and ED FLOWERS (ICC) on their coming marriage August 2. Betty is selling her 3-bedroom Park Forest duplex-condominium. Anyone interested should contact Betty at 748-0276 before August 1 or after August 18.
